

A man and a woman are sitting on a rocky ledge overlooking the Grand Canyon at sunset. The man is wearing a brown beanie and a blue jacket, and the woman is wearing a blue denim jacket with a 'BLESS TEXAS' patch. They are both looking out over the vast canyon landscape. The sky is a mix of orange, yellow, and blue.

TRAVEL

START THE ADVENTURE...

"It's not you, it's me" said the flighty traveller to the hopeful line-up of hostels, buses and trains trying to look like they didn't care. "I really like you and know I'll need you while I'm away. I'm just finding it really hard to commit to dates at the moment."

"Dear #commitmentphobe90," said a friendly hostel manager taking pity on the traveller. "No dramas. As travellers themselves, STA Travel loves the carefree and spontaneous spirit of travel. They've come up with a whole heap of ways to make your travels more flexible, so not only can you amend your round-the-world flights, you can now also buy your accommodation, bus passes, rail tickets and tours before you go, and just use them whenever you get there!"

1 TRAVEL BY THE SEAT OF YOUR PANTS

With our FLEX range, you can sort all the important stuff before you go without having to confirm or be tied down to times and dates. Buy the bus passes, hostel beds and tours you want, but use them on the road exactly when you want to.

2 FLIGHTS OF FANCY

Our legendary BlueTickets are the most flexible on the market. Book your flights with just a £49 deposit and change your dates before you go. Add an exclusive MultiFLEX pass for pre-paid date changes and even more flexibility.

3 DISCOUNT FEVER

We don't punish you for being independent (read: indecisive) so with our exclusive discounts and offers, you won't find our FLEX product range cheaper anywhere else.

4 BIGGER BEER FUNDS

It pays to be flexible. Buy our FLEX range in advance and there'll be less to lay out later on, making it much easier to manage your wayward travelling kitty. You may even be able to persuade someone else to pay for it, AKA the Bank of Mum & Dad.

5 HO HO

That's the sound of us laughing at how awesome our HOHO (Hop-On Hop-Off) BusFLEX and RailFLEX passes are. Pay for your pass at home and relax knowing your ride is sorted when you get there.

6 GET A ROOM

You can't book accommodation because you don't know where you're going to be, but equally you don't want to be left high and dry without a bed for the night. You need StayFLEX in your life – pay upfront, sleep when you get there.

Ticket**

THE ONLY TICKET YOU NEED

In 1979, two young entrepreneurs launched STA Travel. It was a stroke of genius from our founders that got us to where we are today. Having negotiated hard with the world's leading airlines, we were able to exclusively sell the cheapest airfares to young people across the planet. Word spread fast. Before long our stores were heaving with young adventurers all trying to get their hands on one of our famous BlueTickets. We didn't want to lose that important piece of our heritage so we've brought BlueTicket back.

MULTI-STOP LIMITLESS ROUTING

Made from super-stretchy airfare magic, our exclusive BlueTickets squeeze the most out of your trip. We've thrown the rulebook out of the emergency escape hatch, so add in stopovers and create flashy multistops and random round the world routings.

24/7 SUPPORT

As well as having 100s of STA Travel stores worldwide to help you out whilst you're on the road, you can also call or email us 24/7 for support with your booking.

PRICE BEAT GUARANTEE

Find a cheaper fare and we'll give you £1,000*. This is how much faith we have in the price-beating superpowers of our BlueTickets. We've spent 35 years building friendships, cajoling and flirting with the world's leading airlines to get you the best fares. Plus, if you're a student, teacher or youthful character 30 years-old or under, then hit us up for a crafty ISIC, IYTC or ITIC card for more exclusive discounts.

FLEXIBLE FARE

The BlueTicket knows and loves the fact that you're a bit flighty and may need to change course from time to time. With the majority of our BlueTickets you can change your dates and route both before you go and whilst you're away. Plus, check with your Travel Expert if your tickets are eligible for a multiflex pass.

£49 DEPOSIT SCHEME

Jumpstart your adventure today with a deposit of just £49, giving you time to save for your big trip. Add an exclusive MultiFLEX pass for pre-paid date changes and even more flexibility.

Did you know that the average STA traveller changes their flights five times on a round the world trip? We love this spontaneous spirit of travel, its chop and

change nature and ability to transform even the most coiled springs into happy-go-lucky hippies (stringy anklets, Havaianas and headbands will stead you well). The people you meet, the places you discover, even the weather can influence where's next and when's next on your hit list.

Our MultiFLEX passes* allow you to go with the flow and save cash while you're at it. Got your adventure nailed? Then opt for one date change at £29. Almost nailed? Choose three date changes at £69. Or, if the thought of commitment is just too much, go for unlimited changes for £99. Pay now, fly later.

* only applies to certain tickets, ask your Travel Expert for more info

COSACP

CamperFLEX

While casually cooking up a four-course dinner in the campervan after a day cruising with the wind in our hair (the windows were down) we asked, what could be better than the open road and sleeping in your own kitchen? The answer was easy, being able to do it whenever you wanted across Australia and New Zealand without being tied to individual rentals, pick-ups and dates. You're right, it shouldn't be possible but those rulebook-scrapping renegades at Mighty did it for us anyway!

30 DAY PASS
40 DAY PASS
50 DAY PASS

FR£1,299
FR£1,690
FR£2,059

Exclusive to STA Travel, here's the CamperFLEX lowdown:

- Pick up a 30, 40 or 50-day pass at home to collect a Mighty Highball van whenever you want in Oz or New Zealand. Your pass lasts for 12 months from your first van and availability is guaranteed. And, if the two-person Mighty Highball isn't available, you'll get hooked up with an upgrade to a larger campervan. Sweet!
- You can use your CamperFLEX pass to secure multiple rentals from Cairns, Brisbane, Sydney, Melbourne, Adelaide, Perth (no one-ways to/from Perth), and from Auckland & Christchurch.
- The rules? Well, a driver's licence and soft rock driving playlist are essential. Otherwise, the minimum hire is four days, vans must be booked a minimum of two weeks in advance, and no pick-ups and drop-offs are allowed between 20 Dec-10 Jan.

CamperFLEX benefits:

- CamperFLEX can save you as much as 54% off the cost of a regular campervan rental. You'll also benefit from all-inclusive pricing, including full insurance and free one-ways.
- It's perfect for travellers on longer trips who know they want to hire a camper somewhere in Oz and New Zealand, but aren't quite sure of exact dates. It's also ideal for working holiday makers who want to max out their exploring on long weekends and short breaks.
- If you'd thought about hiring a car, we say get a campervan with a fridge, and a bed, for about the same price! Remember you can use this pass on four-days breaks as well as for longer road trips.

Still need convincing a campervan is right for you, let's give you a taste of the experience...

FREEDOM & FLEXIBILITY

With a campervan, you're your own boss and you make the rules. Plan your route in advance or make it up as you go, there's no itinerary and nobody is going to tell you what to do. Wake up when you want, go to sleep when you want and avoid all that endless packing and unpacking.

SAVE MONEY

Not only does the CamperFLEX give you massive savings on a regular hire, you can save even more by shopping for yourself. The fridge on board ensures you always have a supply of drinks and snacks.

WHERE TO STAY

Campsites can be found everywhere in Australia and New Zealand, from cities and beaches to national parks and out-of-the-way places you'd never reach otherwise. It's easy to find somewhere cheap to stay and you'll be given a campsite directory when you pick up your vehicle to make planning easy. If you're travelling to New Zealand, see pages 8-9 for our DOC Campsite and Holiday Parks accommodation passes.
